Austin Diaper Bank Bash

Saturday, April 6, 2019

Join us for an evening of celebration as we come together to support families and babies in Central Texas

The Austin Diaper Bank supports over 5,000 families each year by providing diapers for babies, and adults in Central Texas. Many of the families we serve live below the federal poverty level, in domestic abuses situations, and are in desperate need of help for their babies to live healthy lives.

On Saturday, April 6th, we will host the second annual Austin Diaper Bank Bash at the chic and beautiful Gather Venues on North Lamar. This event is expected to draw over 200 donors, business leaders and philanthropists who support the mission of the Austin Diaper Bank and helping our community.

All sponsorships are tax deductible and go to support families who need help with diapers and wipes in Central Texas.

We know that diapers change lives and with your help we are changing the lives of Central Texas families for the better. Thank you for joining our community of supporters and friends.
