MAKING A DIFFERENCE: AUSTIN DIAPER BANK ANNOUNCES 2026 PRESENTING SPONSOR AND HONORARY CHAIR FOR ANNUAL GALA

Austin, Texas Austin Diaper Bank is proud to announce its 2026 Presenting Sponsor, **Loewy Law Firm**, and 2026 Honorary Chair, **Dr. Edward P. Buchanan, Chief Medical Officer of the Austin campus at Texas Children’s Hospital**, for its Annual Gala benefiting Central Texas families.

The 2026 Annual Gala will bring together community leaders, healthcare advocates, corporate partners, and supporters dedicated to ensuring that every child in Central Texas has access to clean diapers and essential hygiene products.

As the 2026 Presenting Sponsor, **Loewy Law Firm** demonstrates a deep commitment to improving health outcomes for children and families experiencing poverty. “We are always proud to support the Austin Diaper Bank, which helps so many families and babies,” stated **Adam Loewy**. Their leadership support will help expand diaper distribution, strengthen community partnerships, and increase awareness about diaper need as a public health issue.

Serving as 2026 Honorary Chair, **Dr. Edward P. Buchanan**, Chief Medical Officer of the Austin campus at Texas Children’s Hospital, brings a powerful voice to the conversation about the connection between health, dignity, and access to basic necessities. As a healthcare leader, Dr. Buchanan understands firsthand how diaper need impacts maternal health, child development, and overall family well-being. “Access to essentials that Austin Diaper Bank provides is about far more than convenience — it is foundational to the health and dignity of families,” said Dr. Buchanan about Austin Diaper Bank. “When parents are worried about how they will meet these basic needs, that stress can take a real emotional and physical toll on both caregivers and children. As a physician, I see every day how closely emotional well-being and medical wellness are connected. When families have the support and resources they need, children are healthier, parents are more resilient, and entire communities are stronger.”

“Support from leaders in business and healthcare strengthens our ability to meet the growing need in our community,” said Kim Parker, Executive Director of Austin Diaper Bank. “With the generous support of Loewy Law Firm and the leadership of Dr. Buchanan, our 2026 Gala will not only celebrate impact — it will drive meaningful change for families across Central Texas.”

Tables and individual tickets to this event are now available for purchase at <https://austindiapers.org/austin-diaper-bank-bash/>.

Event Details
